The world's favorite lock

An ASSA ABLOY Group brand

ASSA ABLOY

Finely crafted **locks** in 12 **distinctive finishes.**

The YH Collection™ from Yale® line continues a legacy of distinctive design and finely crafted locks, first engineered by Linus Yale in the mid 19th century. Extending the legacy of demanding performance expectations and high manufacturing standards, the YH Collection™ from Yale® line captures many of Yale's finest details for commercial quality. The YH Collection™ from Yale® line combines years of engineering refinement with artful execution to offer a series of ANSI Grade 2 levers, knobsets and deadbolts that will beautifully serve homes for generations.

YH Collection™ from Yale® handlesets are crafted of solid brass and polished to a gleaming luster. The split-hub low-torque mechanism provides smooth and easy thumbpiece operation.

ANSI Grade 2 Hardware

Assurance in the quality and pride of design and workmanship allows YH Collection™ from Yale® to offer a limited lifetime finish and mechanical warranty on its entire product line.

Secure **yourself** and your **belongings.**

Homeowners will appreciate how the durable sub-assembly and all brass cylinders render years of smooth and secure operation. The Yale Limited Lifetime Warranty insures continued peace-of-mind for as long as you own a Yale lockset. Push button locking adds convenience while concealed screws provide everlasting appeal to each design.

Contractor Focus

Contractors value our ongoing focus on "builder functionality." Preinstalled screws, screw guides and the clean interlocking sub-assembly design offer quick and sure installation. Snap on/off knobs and levers permit scratch-free installation. Most YH Collection™ from Yale® deadbolts, offer the convenience and speed of "face" removable cylinders, which makes exchanging or re-keying cylinders a quick and easy process.
