**ASSA ABLOY**

# Finely crafted **locks** in 11 **distinctive finishes.**

Yale, a name unmatched in the industry since 1840, has forged a new tradition of value that brings astounding affordability, durability and style to timeless designs. In New Traditions™ from Yale®, we offer the styles and 11 distinctive designer finishes updated for the way people live today.

## **ANSI Grade 3 Hardware**

Yale® New Traditions™ offers four distinctive knob styles as well as four contemporary classic lever styles – all certified ANSI Grade 3. Designed for simple and secure installation and use. Our handlesets make an impressive entrance statement – whether your home reflects a traditional or contemporary decor.

# Secure **yourself** and your **belongings**.

At Yale® we strive to make security our number one priority, yet the functionality of our finishes and designs will surely meet your design needs. Choose from 4 distinctive knob styles: the timeless Cirrus™ ball, ergonomically pleasing Terra™ egg, the traditional Horizon™ half-round, and the tulip shaped Valley™. New Traditions™ from Yale® offers four contemporary classic styles of levers, including the Mesa™ with a flat handle and slight return, the simple Prairie™, the flared Savannah™, and the gorgeous Woodland™. Match any of our durable deadbolt options for the ultimate combination of style and security. The noble McKinley™, elegant Teton™, and distinctive El Dorado™ make an appropriately impressive entrance statement – whether your home reflects a traditional or contemporary decor.
