

Your home is most clearly defined by the Cabinetry and Millwork you select. They have the stylistic impact of your furniture yet they're a part of the house itself.

We appreciate the subtle dynamics of form & function. Your Cabinetry holds the implements of your daily life yet also shapes the look & feel of your living space.

At Woodharbor creating distinctive, enduring Cabinetry is a family tradition.

We offer you matching or complementary Kitchen, Bath & Home Cabinetry –

Interior Doors – Fireplace Mantels – Detailed Molding & Millwork.

Our custom Cabinetry is unsurpassed. Choice woods. Designer finishes.

Significant options. Let Woodharbor Cabinetry bring your home to life.

 $Kitchen-Waterbury\ door\ style,\ Standard\ Hip\ profile,\ Manor\ Raised\ drawer\ fronts,\ Knotty\ Alder\ in\ Tumbleweed\ finish$

Island & Oven – Waterbury door style, Standard Hip profile, Classic drawer fronts, Coastal White enamel with Sable glaze

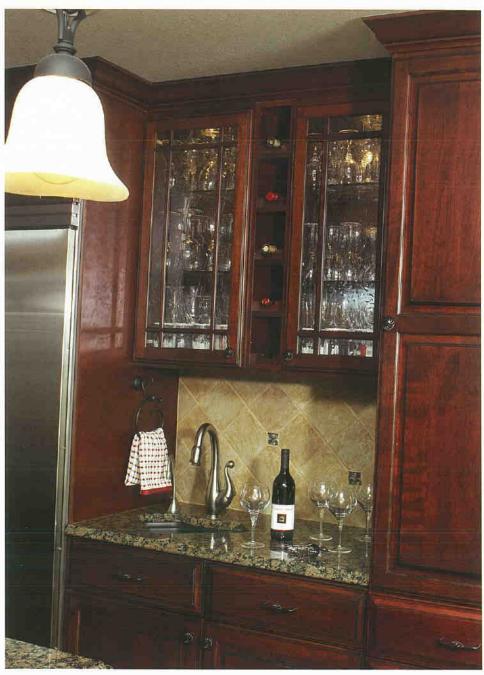

The blend of richly finished Knotty Alder, Coastal White enamel and the simple geometry of our Waterbury door style welcomes the sleek look of stainless steel appliances. The matching interior door opens to a generous pantry that maximizes its corner space.

 $Portland\ door\ style,\ Double\ Hip\ profile,\ Classic\ drawer\ fronts,\ Cherry\ in\ Sangria\ finish\ with\ Black\ glaze$

Brittany door style, Styled & Manor drawer fronts, Antique White enamel with Taupe glaze, Flush Inset styling

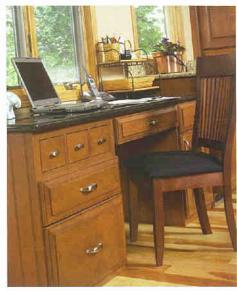

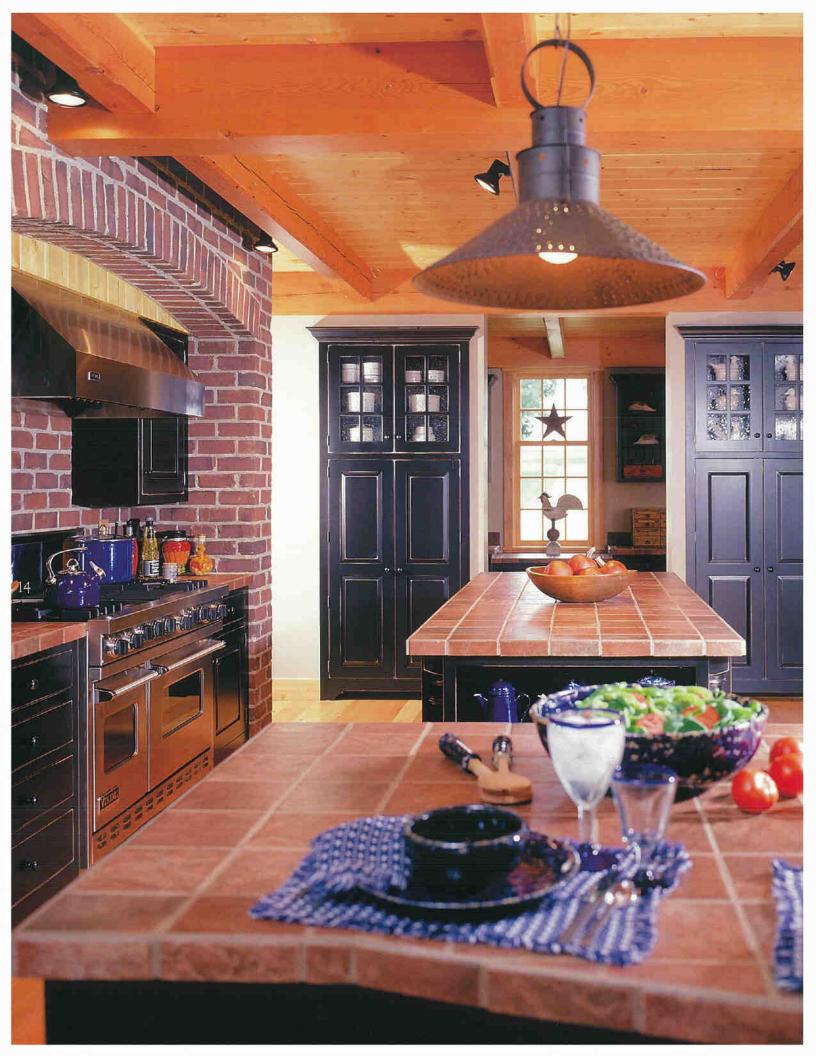

Tasteful Cherry Cabinetry makes this large kitchen feel warmly accessible. Seating at the ample island overlooks a full sink and chopping area. Matching double doors open to a bountiful corner pantry. The built-in desk offers big versatility in a small space.

Waterbury door style, Standard Hip profile, Classic drawer fronts, Cherry in Caramel finish with Coffee glaze

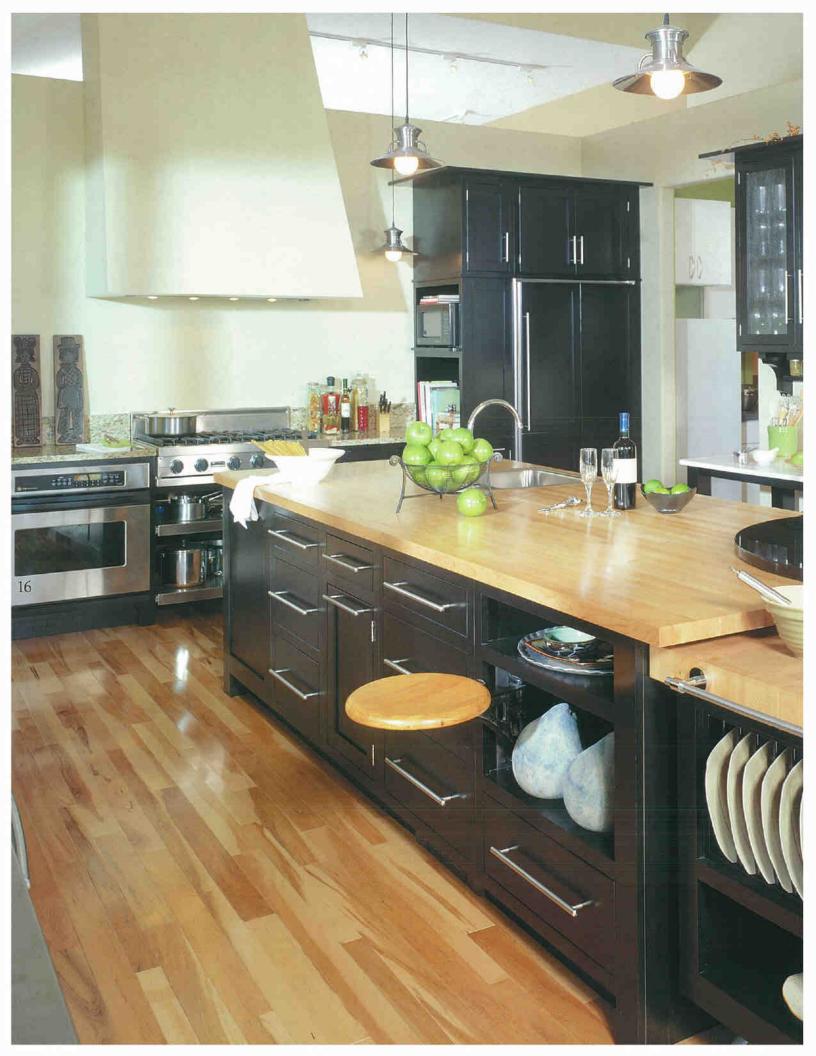

Cabinetry finished in Olde
Boot Black blends comfortably
with russet-hued brick and salvaged pine flooring to complement the rustic Americana
motif of this post & beam
home. Open display shelving
on the island and peninsula
provide a warm welcome to
antique dishware and utensils.

Portsmouth door style, Slab drawer fronts, Maple in Olde Boot Black finish, Flush Inset styling

Cooking is a true delight with the spacious work areas of this dramatic kitchen. A corbelled wall hutch and versatile rolling island cart add both visual and functional appeal. The sumptuous yet simple blend of colors and textures draws focus to food and culinary utensils.

Painstaking focus on details is crucial in the Woodharbor philosophy. Our Millwork looks just as good close-up as from across the room. The meticulous design and precision craftsmanship in each creative element result in quality that's as easy to feel as it is to see.

Salerno door style, Manor Flat drawer fronts, Coastal White enamel with Taupe glaze

Living well is in the details.

Matching Doors & Cabinetry

Bring your home life.

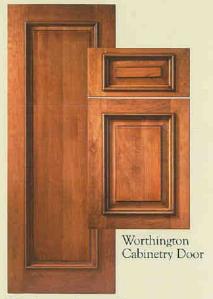

Hands-on elegance Woodharbor Cabinetry

In any construction, Cabinetry is one of the first things you visualize. Cabinets define your living space. They hold the implements of your daily life. They offer you comfort and continuity.

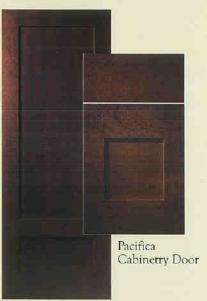

At Woodharbor, creating fine Cabinetry is a family tradition. We are committed to thoughtful, enduring Cabinetry with distinctive details and timeless style.

Woodharbor Cabinetry exceeds expectations. Choice woods, designer finishes and remarkable selection of options. You'll be delighted by the way Woodharbor Cabinetry personalizes your home and brings it to life.

Quality tells the story The art of construction

Woodharbor construction is a unique blend of individual attention and high-tech precision. We've developed this method during our decades of hand-crafting superior wood products.

At key stages, our craftsmen do detailed handiwork. Other aspects of the process are automated for optimal efficiency. A Woodharbor specialist supervises every step for maximum quality.

Woodharbor Custom Doors & Cabinetry uses the finest materials for durable, beautiful Cabinetry and Doors that last a lifetime. Our semi-custom PrairieLake Doors and Rockglen Cabinetry offer Woodharbor excellence plus great value.

From meticulous selection of wood to durable hardwood dowel joinery to careful transportation in Woodharbor air ride furniture vans, we bring the highest quality to all Woodharbor products so you can bring your home to life.

Harmonious visual beauty Make yours a Woodharbor home.

In your home's design, consistency is crucial. All elements of color, texture & function should perform in unison for an artful look & feel.

For the highest level of interior design, Woodharbor offers you beautifully crafted Cabinetry & Interior Doors that work perfectly together.

Woodharbor creates...

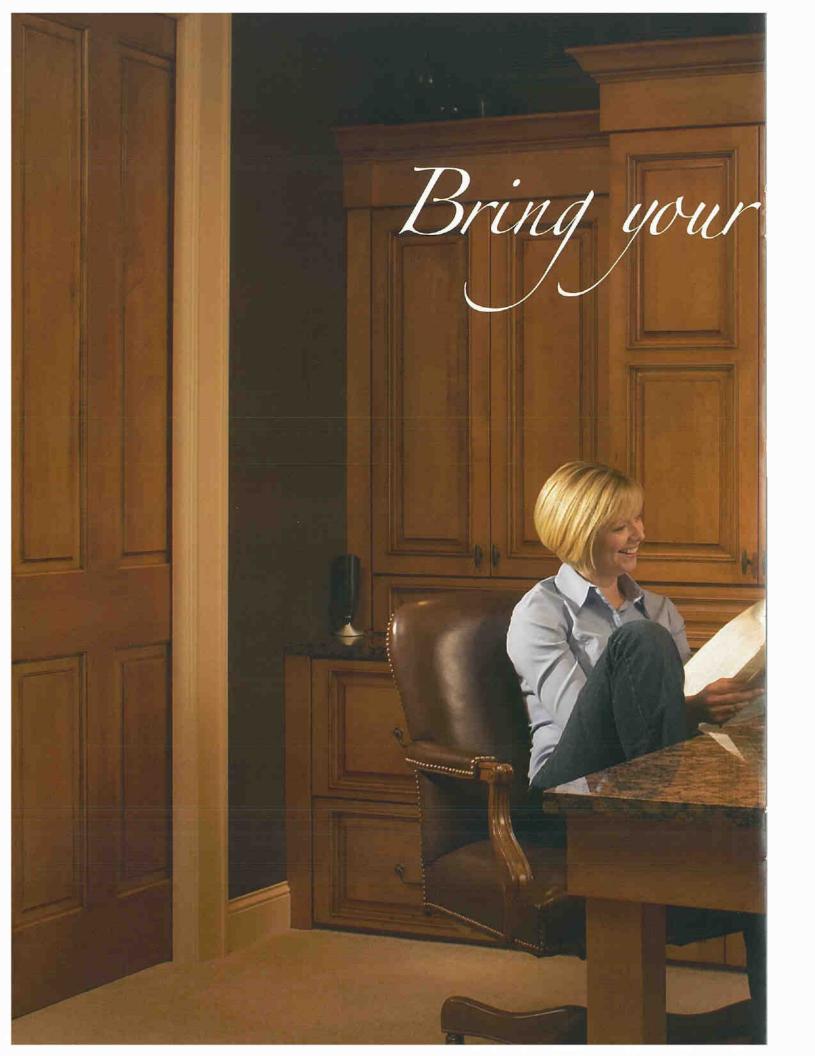

- · Kitchen, Bath & Home Cabinetry
- Interior Doors
- · Fireplace Mantels
- Detailed Molding & Millwork

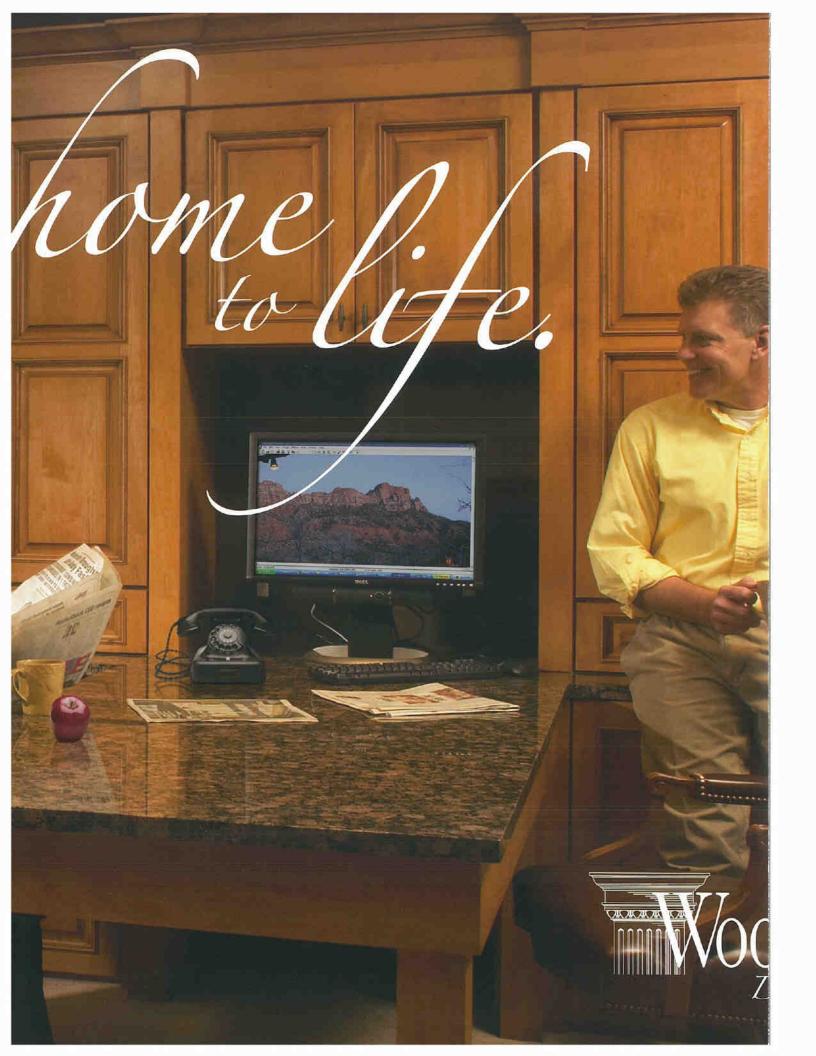

...all in matching or complementary styles, woods & finishes.

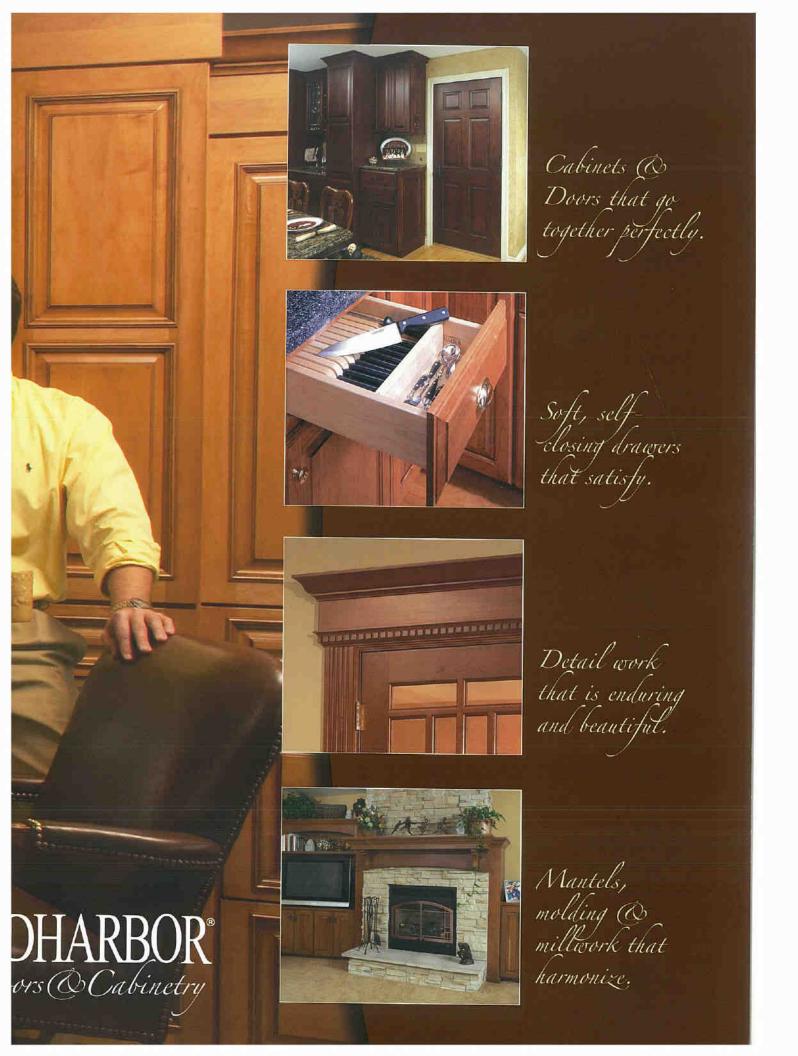

With Woodharbor, you'll achieve complete creative cohesion. Your home's most obvious, most interactive features will give you harmonious visual beauty.

Whether you plan to build or remodel, Woodharbor will bring your home to life.

The bath is a place of renewal where you can luxuriate in a world of your own. In its unique design, you can meet practical needs with flair and personality. It's a dressing room where you pause after each part of the day and prepare for the next. Comfort and style should be recognized here where both are so necessary. A Woodharbor bath is an exceptional pleasure. Portland door style, Double Hip profile, Classic drawer fronts, Maple in Rustic Suede finish, Bedded Inset styling

Portland door style, Double Hip profile, Slab and Classic drawer fronts, Heirloom Ivory enamel

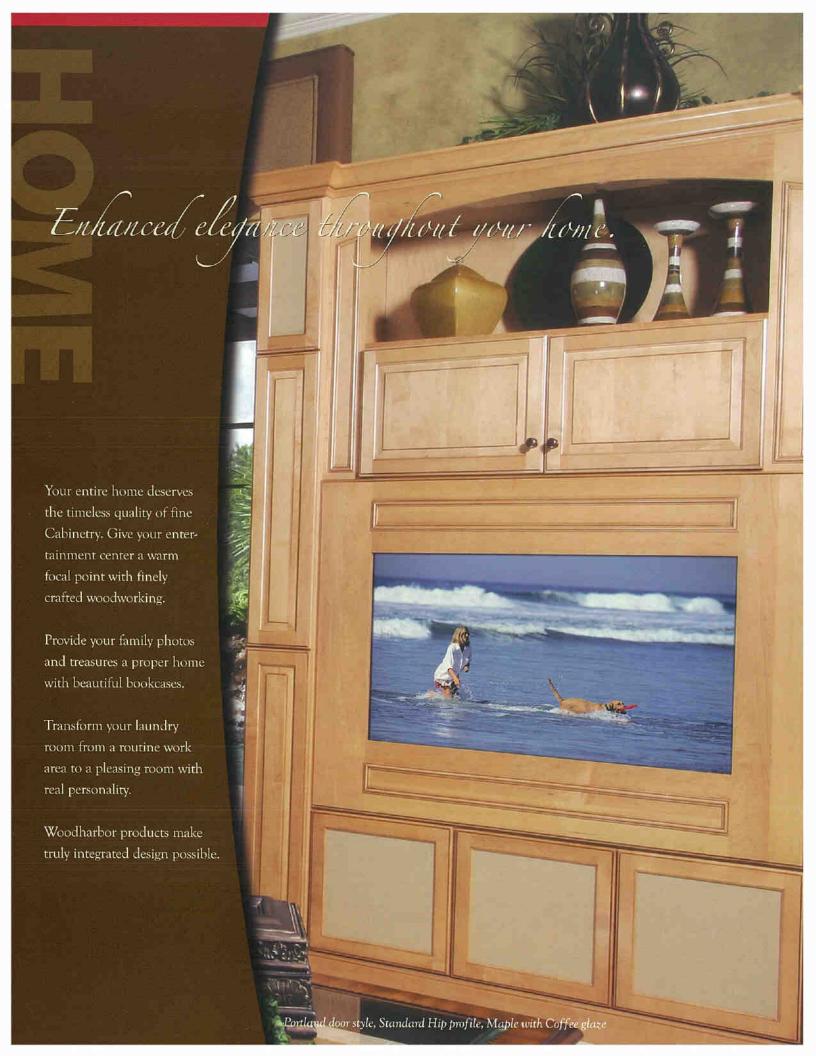

Lustrous Heirloom Ivory enamel finish, regal fluted columns with rosettes, distinctive moldings and a graceful arched valance give the vanity a formal feel. Vanity wall cabinets with frame mullion glass doors flank the mirror to create storage space that is both elegant and practical.

The natural warmth and beauty of Red Oak Cabinetry and matching Interior Door complement the quiet, relaxed feel of this casual bath and powder room. Subtle details give vanities the look of finely crafted furniture to sustain the simple, uncluttered design.
