White River™ now offers 7 Fabulous Finishes in METALWOOD™ for all of our beautiful hardwood mouldings and woodcarvings. METALWOOD™ is a real-metal finish that provides the authentic look and feel of metal for cabinetry, furniture, mantels and other important focal points.

METALWOOD™ finishes are especially well suited to our Mon Reale® mouldings and our Authentic Hand-Carved® Woodcarvings. No special tools are required for installation. Ordering is easy: 1) Select any White River™ hardwood moulding or woodcarving, 2) Choose the metal finish of your choice, 3) Enjoy the beauty of METALWOOD™ - enhanced White River™ products.

White River™ hardwood mouldings and woodcarvings are first prepared to accept the metal coating and to ensure complete adhesion to the surface. The METALWOOD™ finish, which is 95 percent real metal, is applied by hand using a cold-spray process, then convection cured at a temperature range of 86 to 91 degrees.

After the finish is cured, the polishing process begins with sand blasting. If the patina finish has been ordered, it is applied by hand at this time. A master polisher then hand polishes each piece to bring out the highlights. Because METALWOOD™ is real metal that will age and weather, the surface is topcoat sealed for protection and to stop the aging process. METALWOOD™ products install with standard woodworking tools, and touch-up kit information is available.

Our price list currently reflects Metalwood™ on Mon Reale® Mouldings, Authentic Hand-Carved® Woodcarvings and plaster medallions.

BRONZE	A timeless classic metal that has endured unlike any other. Hand-rubbed to reveal subtle variations in the metal and to accent natural shadows.
COPPER	There is no substitute for the warm and subtle glow of this beautiful hand-polished metal.
COPPER PATINA	Patina complements the subtle glow of copper, giving it a pale-green, naturally aged and weathered look and creating character and Old-World charm.
ANTIQUE BRASS	A fine, high-quality metal with a deep, penetrating shine. Hand-polished to show the value of time.
NICKEL	The glimmer of hand-polished nickel presents a beautiful contrast to dark spaces.
IRON RUST	The strength of this great metal adds instant history and character to any surface. This finish will continue to rust naturally.
ALUMINUM	A silver-white metal that is cool, contemporary and strong.

LONG-LASTING - Real metal compound that is non-corrosive and easy to maintain

DURABLE - Will not shrink, fade, crack, chip or peel

LIGHTWEIGHT - Adds less than four ounces per square foot with standard 10-mil application

STRONG - Can withstand 1,500 PSI before pulling away from base material

HEAT-RESISTANT - Class A, Class 1 material that will not support a flame

NON-CONDUCTIVE - Does not conduct electricity

INSTALLATION

Lay out all products to determine the best possible cuts for ease of installation; consider pattern repeats to achieve the best yield from the product.

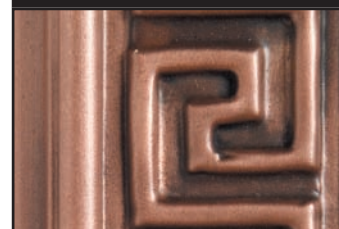

To hide nail holes, place nails in discreet areas of the surface. Use Minwax Blendfil pencil No. 8 to fill nail holes for Brass, Bronze and Nickel finishes. For Copper finishes, use Minwax Blendfil pencil No. 5.

All METALWOOD™ finishes (except Iron Rust) are finished with a wax topcoat, which can be dusted with a soft cloth and periodically polished with a no-wax formula such as Pledge®.

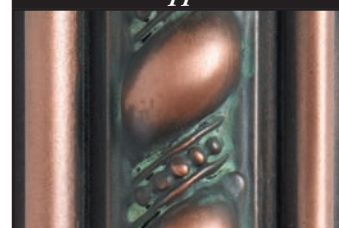

METALWOOD™ products install with standard woodworking tools. Exercise caution when installing with pneumatic nail guns.

ENGLISH ESTATE - MLD5978, CRV5636,
MLD5979, MLD5972

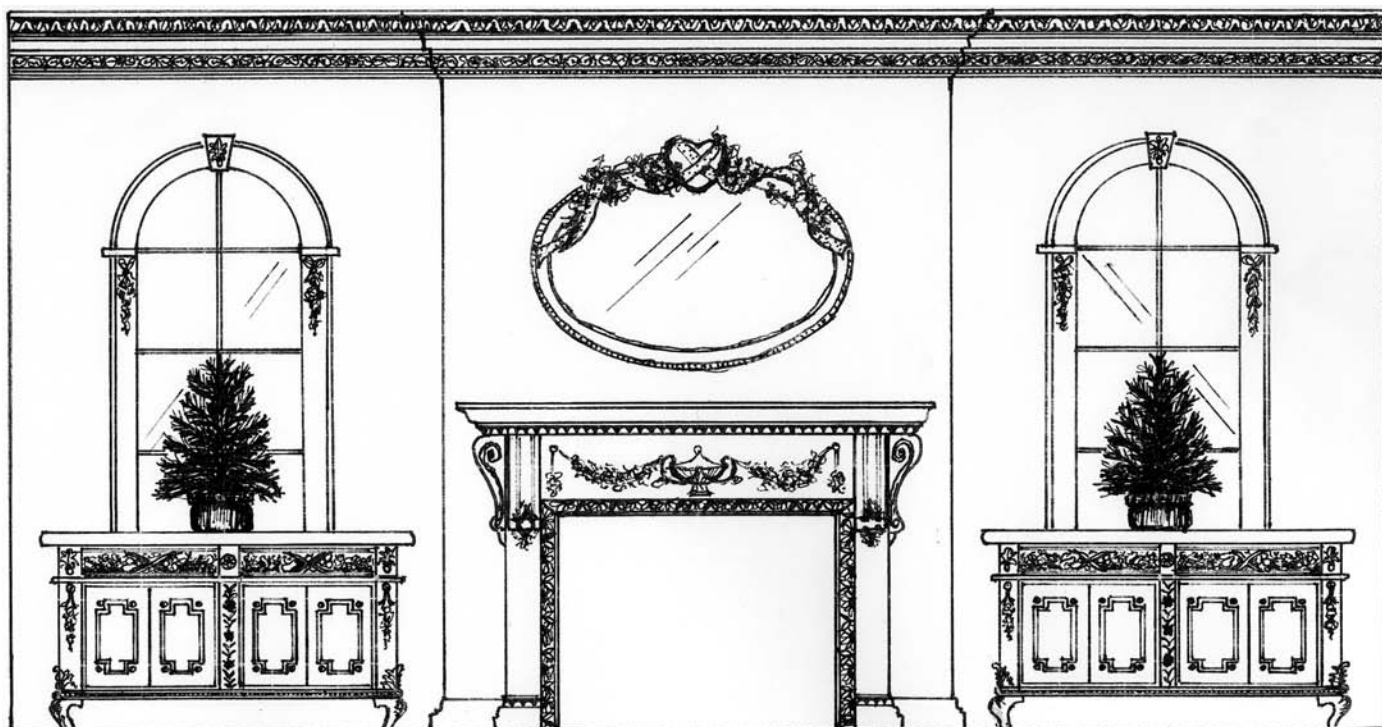

TRADITIONAL AMERICANA
CRV5256, MLD5928

FORMAL LIBRARY - CRV5568, MLD5962, MLD5840, MLD5830, MLD5982, MLD5980, DS1 x 2, PM590, PM526, MLD5970, PM529, CRV5580, MAN9035, CRV5576, CRV5097, CRV5570, MLD5922

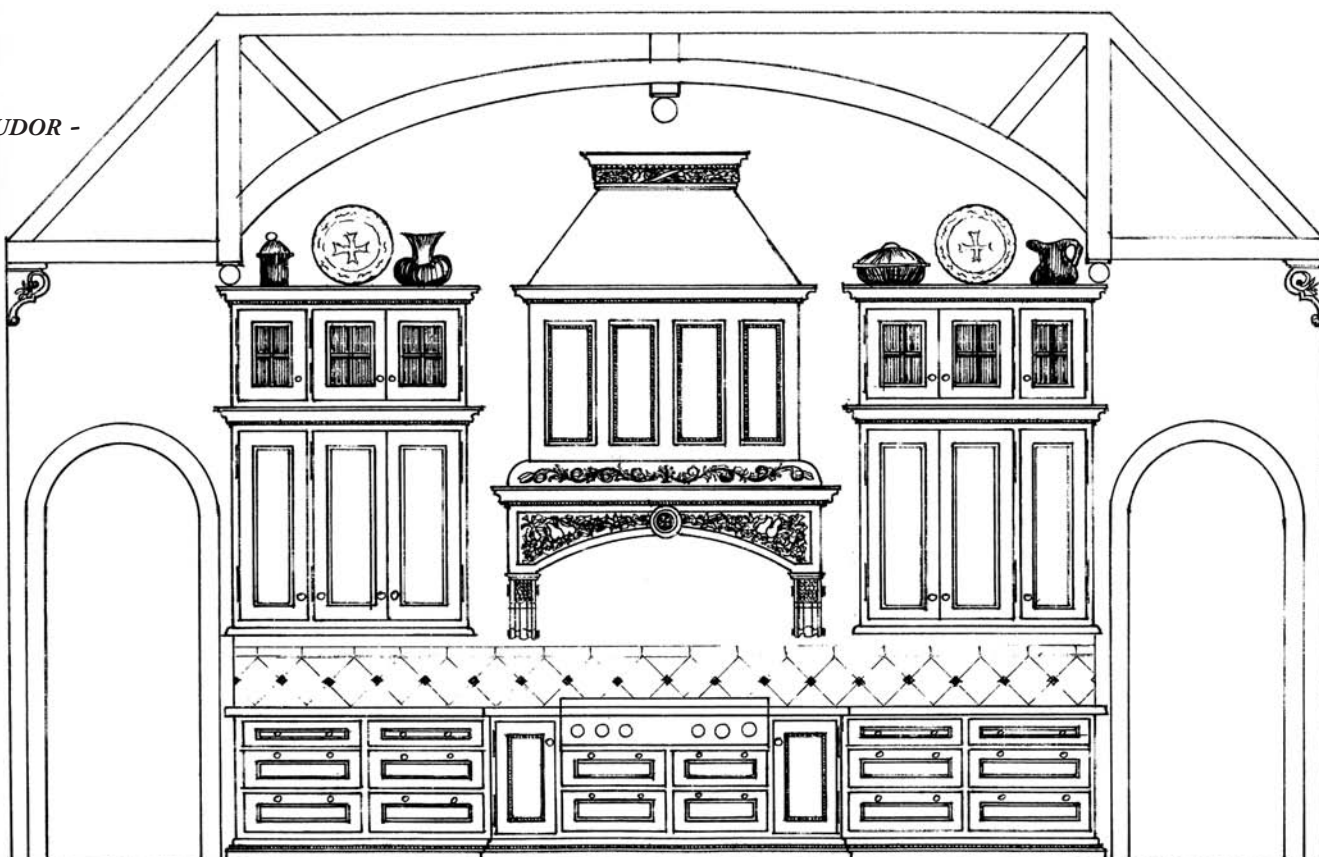

ENGLISH COUNTRY ESTATE - MLD5868, MLD5864, MLD5950, CRV5614, CRV5620, CRV5616, CRV5512, CRV5820, RH6075, CRV5172, MLD5860, CRV5121, CRV5636, FT6272, FT6274

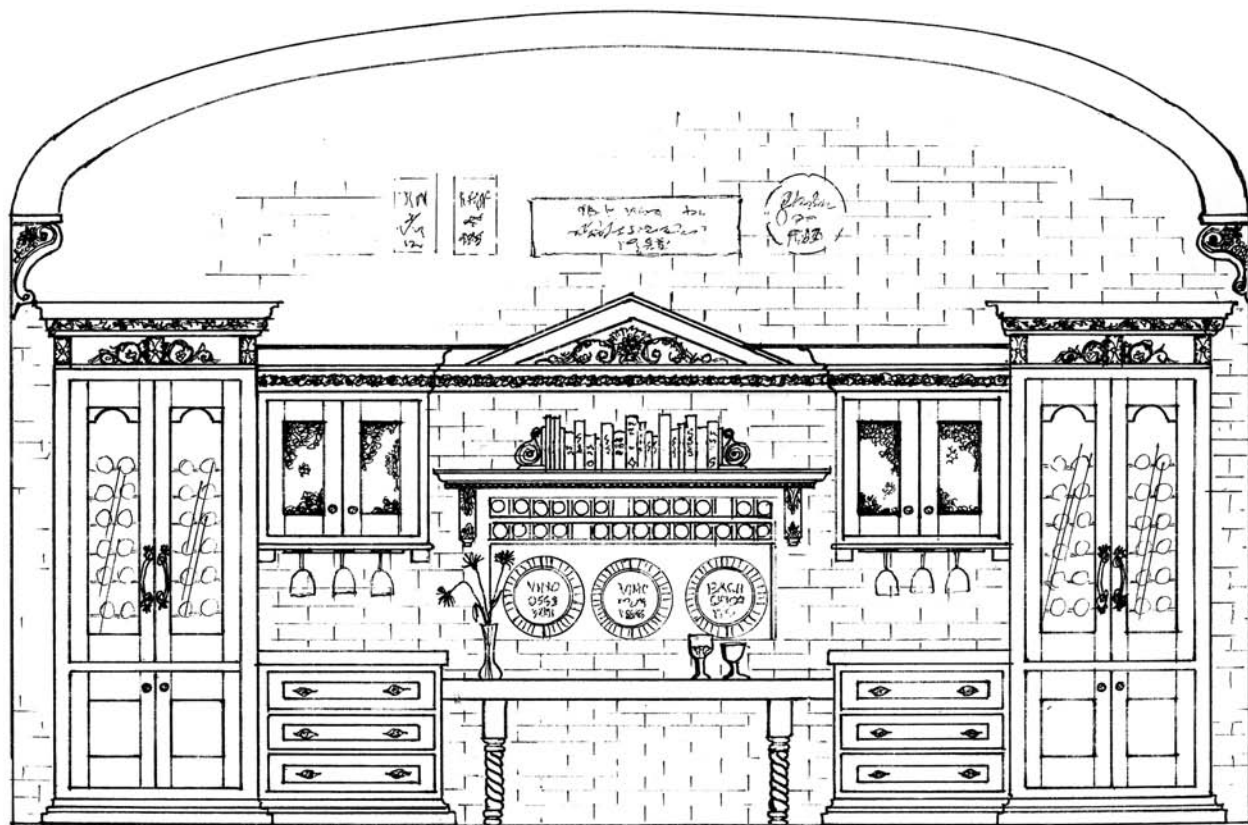

FORMAL MANTEL SETTING - MAN9012, CRV5093, MLD5840, CRV5576, CRV5620, MLD5970, MLD5928, CRV5642, MLD6028, CRV5087, MLD5964, MLD5902, FT6262, CRV5644, MLD5903, CRV5071

ENGLISH TUDOR -

MLD5848,
MLD5902,
RH6078,
RH6075,
CRV5230,
CRV5620,
MLD5968,
CRV5614,
MLD6020,
CRV5228

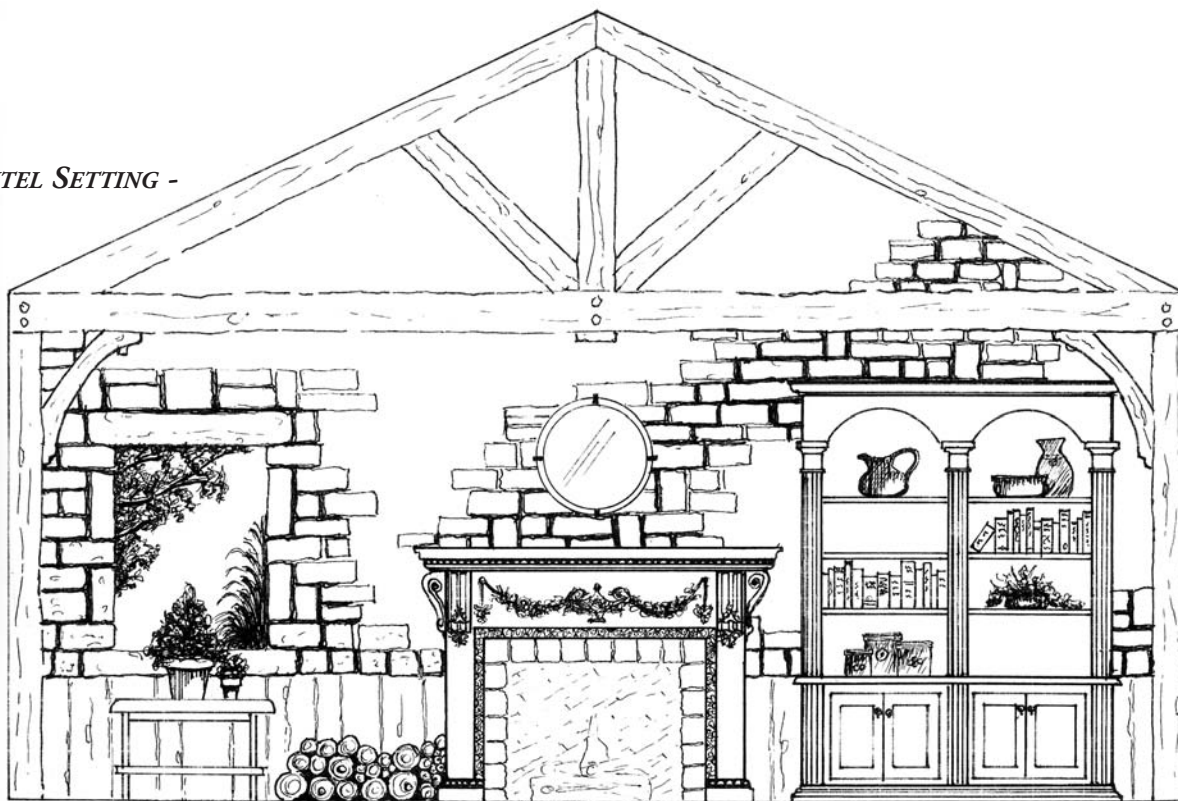

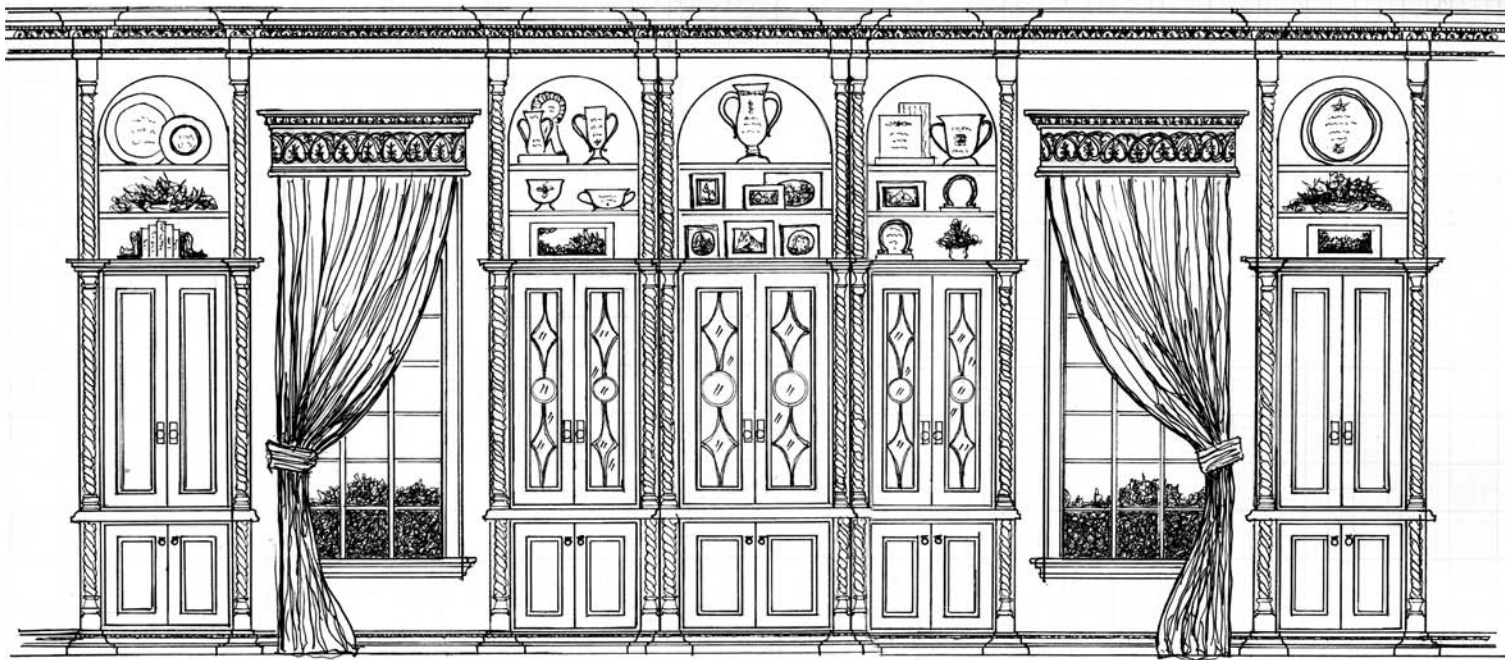

VINEYARD SERIES WINE CELLAR - CRV5110, CRV5100, MLD5916, CRV5626, CRV5173, CRV5032, CRV5024, CRV5036, CRV5030, CRV5034, CRV5020, CML6210, MLD5848, MLD5968, CRV5259

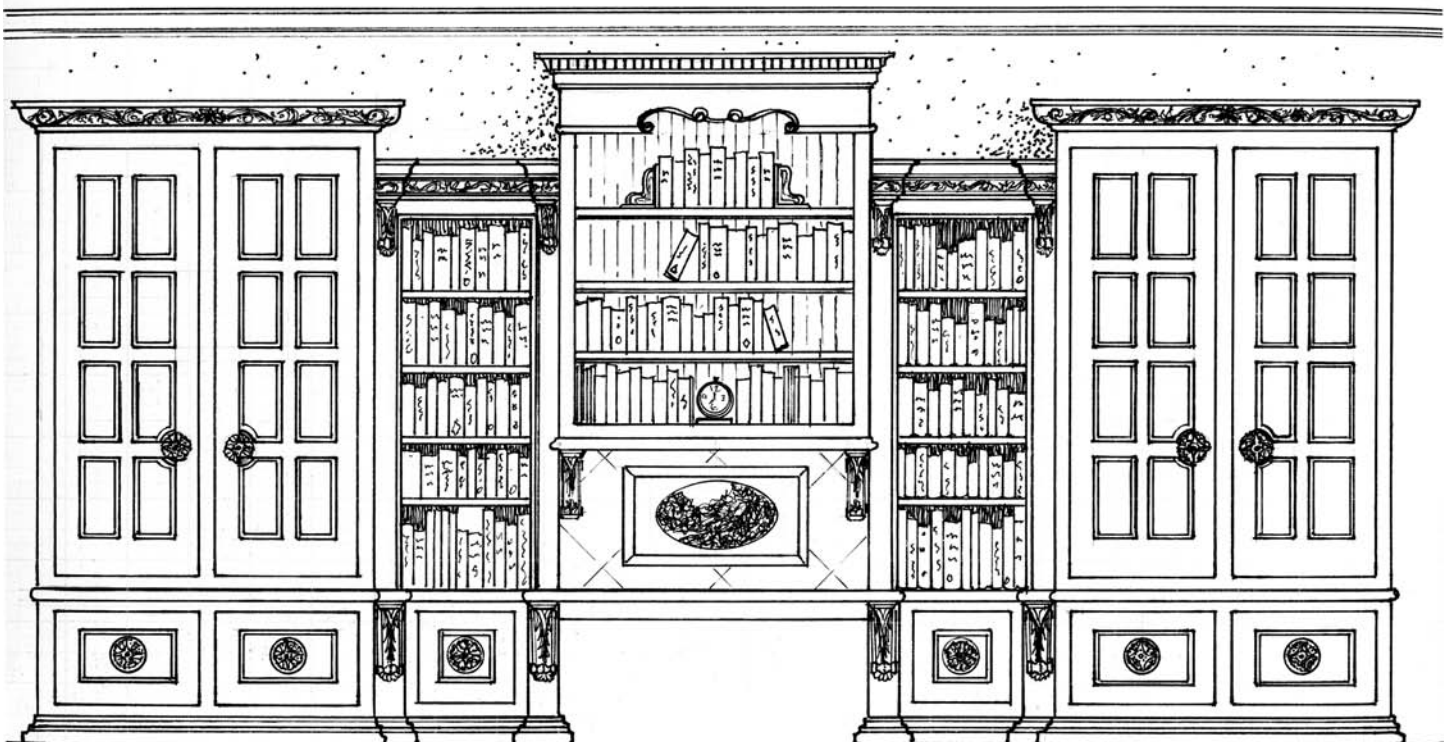

RUSTIC MANTEL SETTING -

MAN9012,
MLD5848,
CRV5582,
MLD5832

Trophy Room - RH6084, PM590, MLD5975 w/ MLD6002, MLD5840, MLD5982, MLD5864, MLD5800, MLD5842, CRV5518, CRV5512

Working Library - RH6078, RH6080, MLD5860, MLD5914, MLD5864, MLD6002, PM590, CRV5121, CRV5590, CRV5120

SPECIFIED LENGTHS - There is an upcharge for specified lengths, ranging from 20%–40%. The customer also pays for additional footage needed to pull specified length orders. See specifications under each moulding category. Remember to take into consideration specified length charges for small UPS orders.

Please feel free to call us with any design questions and we will be glad to help you. Our staff can help you detail your entire job.

RETURNS - Stock mouldings cannot be returned without prior approval and must have an RGA number. Mouldings will not be credited that are (1) marked on, (2) modified in any way, (3) exposed to excessive sun or moisture, (4) have sheetrock mud, primer, stain, "job site damage" or (5) or past 60 days from invoice purchase date. For stock mouldings to receive credit, moulding must be in resellable condition. Returns are F.O.B. Buyer, and are subject to a 20% restocking charge. Loose mouldings will only be accepted that are 8 feet and longer unless in original plastic covering. Any custom millwork is not returnable.

WARRANTY - White River's Hardwood Mouldings are produced from clear kiln-dried hardwood lumber. All lumber is NHLA graded and dried to 6–8% moisture content. Our mouldings are produced from 65% 12'–16' lengths in stock mouldings (overall 3'–16'). Our mouldings are precision machined by Wienig Moulders using Wienig Knife Tooling. We are not responsible for changes in mouldings due to environmental conditions during or after installation. Please follow information in Volume IV Catalog, "Technical Information, Section IV" to avoid problems associated with large mouldings.

White River Hardwoods-Woodworks, Inc.[™], is the Industry Leader in the design and manufacture of Embellished Hardwood Mouldings[™] and Authentic Hand-Carved[®] Woodcarvings. We offer 1,000 stock products as well as custom work, radius work and plaster medallions. Our elegant mouldings are perfect for well-appointed interiors, libraries, cabinets and furniture.

- ↻ THE MILLWORK CAD CD FOR AUTOCAD[®] offers the complete collection of Elegant Hardwood Mouldings, Authentic Hand-Carved[®] Woodcarvings and Adornments for Cabinetry and Furniture[™] in .dwg format for Computer Aided Design; also downloadable from our website .dxf format is available upon request.*
- ↻ OUR 20-20 DESIGN TECHNOLOGY CD offers state of the art design, specifications, photo-realistic rendering and three-dimensional ("3D") visualization of Cabinetry and Furniture for White River[™] products in the residential and commercial interior design markets. CD available late Summer 2005. Must have 20-20 software to use.*
- ↻ SOLID DESIGN: Planit Solutions' Solid Design is a solid modeling application engineered specifically to meet the needs of today's designers of Cabinetry and Furniture. Solid Design allows for the use and mix of various pre-manufactured lines with true custom cabinets. Must have Solid Design software to use.*
- ↻ PLANIT FUSION: Planit Fusion sets a new standard for point of sale design systems for Cabinetry and Furniture, by creating the perfect balance of design and sales administration. Utilizing the latest technology, Fusion combines professional design and presentation software with effective client information management. Must have Planit Fusion software to use.*
- ↻ www.mouldings.com: Be sure to visit our website, where you can print our profiles, obtain technical information or contact us by e-mail.*
