

INTERIOR
DOORS

*Bring your home
to life.*

 **WOODHARBOR**
Doors & Cabinetry

A woman in a purple shirt and grey pants is standing in a laundry room, holding a long white towel. She is positioned in front of a wooden countertop with a sink and a washing machine. The room features extensive wood cabinetry and a large wooden door in the foreground. The lighting is warm and focused on the woman and the room's details.

WOODHARBOR
Interior Doors

Your home shelters you and helps shape your life. Detail work and design consistency are crucial. Woodharbor offers you matching or complementary:

- Interior Doors
- Kitchen, Bath & Home Cabinetry
- Fireplace Mantels
- Detailed Molding & Millwork

Our work begins long before you select styles, woods & finishes and continues until your needs are fully met. With hand-craftsmanship and modern technology, we create Interior Doors of enduring quality & beauty:

- Premium Hardwoods
- Sturdy Dowel Construction
- Precise Joint Alignment
- Uniquely Cushioned Floating Panels
- Hand-Sanding & Beautiful Finishes

You'll be thrilled by how Woodharbor Interior Doors & Cabinetry bring your home to life.

Charleston

Raised Panel Doors

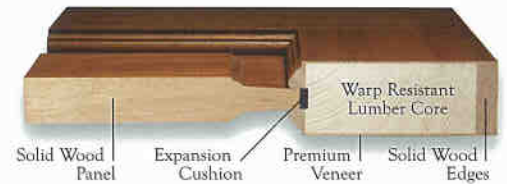

Sublime Standards

Give your home the warmth & style of fine wood and rich architectural detail. Charleston Collection Doors are constructed with solid wood raised panels and lumber core stiles/rails. We carefully hand-sand each Door and apply fine finish from Woodharbor's premium palette. Before assembly, we stain center panels so they can expand & contract without revealing raw wood.

Charleston Section View with COVE & BEAD Profile

Three profile options are available for the Charleston Collection - Standard Hip, Double Hip and Cove & Bead. Select the profile that best complements your style.

Arlington

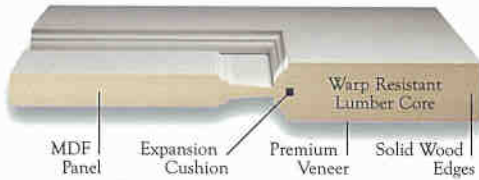

Painted Raised Panel Doors

Raised for Paint

Contemporary and traditional homes alike may use painted Doors as a design element. Arlington Doors are created with MDF center panels that accept paint beautifully. With strong core stiles for hardware, authentic architectural detailing and diverse panel configurations, Arlington Doors are a fine value. They come base-primed (hand & machine sanding) or premium-primed (two primer coats, filled joints, more extensive hand sanding). Several rich enamel colors are available for a final finish.

Arlington Section View with COVE & BEAD Profile

Arlington is the painted version of the Charleston and is available in the styles shown on this spread along with those featured on pages 4 & 5. Available with Standard Hip, Double Hip and Cove & Bead profiles.

DHARBOR[®]
Doors & Cabinetry

Quality tells the story

The art of construction

Woodharbor construction is a unique blend of individual attention and high-tech precision. We've developed this method during our decades of hand-crafting superior wood products.

At key stages, our craftsmen do detailed handiwork. Other aspects of the process are automated for optimal efficiency. A Woodharbor specialist supervises every step for maximum quality.

Woodharbor Custom Doors & Cabinetry uses the finest materials for durable, beautiful Cabinetry and Doors that last a lifetime. Our semi-custom PrairieLake Doors and Rockglen Cabinetry offer Woodharbor excellence plus great value.

From meticulous selection of wood to durable hardwood dowel joinery to careful transportation in Woodharbor air ride furniture vans, we bring the highest quality to all Woodharbor products so you can bring your home to life.

Living Well is in the Details

Built to Order

We craft Woodharbor Interior Doors per order (any available design, any available wood species).

Prompt Delivery

We deliver Woodharbor Doors in 3 to 4 weeks carefully packaged and wrapped in Woodharbor air ride furniture vans (7/0 & 8/0 height doors may require additional lead time).

Quality Wood Species

We select premium grades of North American hardwoods (solid woods & veneers) across the face of the door. Woodharbor hardwoods include:

- Red Oak
- Character Red Oak
- Poplar - Stain & Paint Grade
- Birch
- Knotty Alder
- Hickory
- Maple
- Cherry
- Character Cherry
- Quarter Sawn White Oak
- Mahogany

Hinges

Hinges: 10 stocked hinge finishes available. Architectural grade ball bearing, 5 knuckle butt hinges standard. Decorative hinge tips available in ball, urn and steeple styles.

Finishes & Jamb

Finish: Unfinished standard. An array of spray and hand wiped stains and paint are available as an option. Many designer and special hand detailing finishes are also available.

Jamb: Fingerjointed primed Pine, Composite Core, Lumber Core & Solid Wood in an array of sizes. Custom sizing available with Solid Wood jamb.

Specification

(Nominal Dimensions)

Stiles: 4-3/4" wide

Top Rail: 4-3/4" wide

Bottom Rail: 8" wide

Lock Rail: 8" wide

Intermediate Stiles & Rails: 4-3/4"

Raised Panel: 3/4" solid wood or MDF for 1-3/8" doors and 3/4" or 1-1/8" solid wood or MDF for 1-3/4" doors.

Flat Panel: 3/8" composite-core plywood or MDF for 1-3/8" doors and 1/2" composite-core plywood or MDF for 1-3/4" doors.

Stile/Rail Composition: Lumbercore (Lumber is cut into shorter staves and then fingerjointed and glued back together.) Engineered for strength and stability to minimize lumber's natural tendency to warp or move with changes in humidity.

Standard Sizes

(Nominal Dimensions)

Sizes: Standard catalog widths (passage, double, by-pass, bi-fold, pocket)

Heights: 6/8, 7/0 & 8/0

Thickness: 1-3/8" or 1-3/4"
